S. CHEME of a LOTTERY, For the Use of Talbot County School.

THERR being a Necessity for making considerable Repairs to the Buildings of this School, and also some Addition thereto for the Master's Conveniency, and the Funds appropriated to its Use being already charged with a heavy Debt: The Visitors, unprovided with any other Means, take Leave to propose the Method of Lottery, to raise the Sum of Three Hundred and Sixty Pounds, for answering the Purpose aforesaid. This School, thro' the Abilities and extraordinary Assiduity of the present Master, has for many Years, even under great Disadvantages, been look'd upon as perhaps the best and most frequented in the Province: And should this Scheme succeed, and the Buildings be render'd more commodious, by having the School-Room enlarged, and the upper Chambers well fitted for the Reception of Boarders, it might soon become still more extensively useful than it has hitherto been.

INSTRUCTION, or right Education, is universally confessed to be one of the greatest Advantages in Life. It is the best and truest Improvement of our rational Faculties; and those useful Arts and Sciences, by which the Condition of Mankind has been rendered more happy and commodious, are, in a great Measure owing to it. It purges off the Drois of Slavery and Superstition, and bears a friendly Aspect on Liberty, and the social Interests of Mankind.

SOLICITOUS to secure this noble Advantage, and actuated, entirely, by Sentiments of Tenderness and Regard for the rising Generation, the Visitors flatter themselves that every Lover of his Country, and Friend of Mankind, will warmly promote a Lottery so laudable in its Intention, and countenance, with his Favour and Indulgence, **THIS NURSERY OF SCHOOL-LEARNING.**

WHREAS the Officers for the Parish of *St. Margaret's Westminster*, in the County of *Anne Arundel*, find it expedient to Erect a Church or Chapel of Ease in the upper Part of the said Parish, where the present old Chapel of Ease is now situate, on the Head of *Curtis's Creek*, the old One being gone to Decay, and otherwise found much too small for the Congregation, constantly attending there on Divine Worship. Having a Sum of Money in Hand (saved from the Vacancy of a Minister, for some Time after the Death of the late Incumbent, the Rev. Mr. *Walter Chalmers*) but much too small to answer the Purpose. And regarding tenderly the Interest of the Inhabitants, most of which are in necessitous Circumstances; and further encouraged by the Regard paid to Lotteries in general, less laudable in their Intention than the following: They have thought proper to propose the Method (to avoid if possible an Assessment) by Way of Lottery, for Raising a Sum of Two Hundred and Twenty-five Pounds Current Money for the Purpose aforesaid.
